LOST PETS of the HUDSON VALLEY

LOST PET

Midna from Hartsdale

Contact: 314 402 2119

Location: 30 Maple Avenue

Date : December 6, 2017

Microchipped! She's a shy but friendly cat, very possibly picked up by someone. She's been missing since December 5th.

She loves treats and wet food. We love her so so much please let us know if you see her or find her!
