My “new to me cat” got out of my home three days after he came home. His name is Finnegan, he’s yellow tabby around 5 years old, nurtured. The previous owner said he’s an indoor/outdoor cat. He’s been gone since early Sunday morning. I live on Lower Bone Hollow Rd Accord. His previous owner lives 5.1 miles away. I’ve been looking for him on my bike non-stop with no luck, he hasn’t returned to previous home so....

Any help or suggesting is Greatly appreciated!!
