LOST PETS of the HUDSON VALLEY

# FOUND PET

## Found in Monroe

## Contact: eddieb29@hotmail.com

**Location: 13 Marc Terrace**

**Date : January 15, 2018**

**This Kitty has been begging at our front door for over a month. We feed her in the early am and pm before dark. She is friendly, not a feral cat. A very pretty cat. I am taking her to be spayed in two weeks to the TARA spay and neuter van in Monroe. She hangs out at my house on Marc Terrace in Monroe, NY.**
