This cat came up to our back deck last night and wouldn't leave. We gave it some food and it kept coming back. We woke up this morning and it was meowing/howling loudly at our back door. We let it inside our house twice. It seems very clean/taken care of, and very friendly. Seems like a younger cat,

it’s an unfixed boy. My boyfriend and I would love to take it in but we have two cats of our own (one of which doesn’t seem too fond of this little fella). Please help us find his owners if possible!
