LOST PETS of the HUDSON VALLEY

# FOUND PET

## Found in Wappingers Falls

## Contact: Judella19@hotmail.com

**Location: Chelsea Ridge Apartments**

**Date : January 7, 2018**

**My friends found a cat in the parking lot of Chelsea Ridge Apartments. They had her checked for a chip and checked with Chelsea Ridge to see if she was registered as a pet. No chip and no registration. My friends gifted her to me, but I really think she was someone's pet. The vet says she is about a year and a half old. Hoping to find her real home.**
