⍰⍰ MISSING SENIOR CAT – PLEASE HELP BRING RUSTY HOME ⍰⍰

Our beloved 17-year-old cat, Rusty, has been missing since Wednesday, July 8 from the Springtown Road / River Road area.

Rusty is a senior male who has lived indoors for many years. He is friendly, but after being outside for this long, he is likely frightened and very skittish. He may not come when called.

Identifying features:
• No collar
• Small notch in his left ear
• Senior male cat

If you see Rusty, please don't chase him, as he may run and hide. If possible, try to entice him with food and call or text me right away. If you can safely close him in a garage, shed, or other enclosed area while contacting me, it could make all the difference.

⍰⍰ Call or text: 978-480-0773

Even if you're not 100% sure it's him, please let me know where and when you saw him. Every possible sighting helps us narrow down the search.

Please check under porches, decks, sheds, garages, barns, woodpiles, and dense bushes. Cats often hide in quiet places during the day and move around more after dark.

Please share this post with your neighbors. Rusty is deeply loved and missed, and we just want to bring our sweet old man home.

Thank you so much for helping us look for him. ⍰⍰
