Missing from Monahan Rd Greenville, VFW side.
Angel disappeared Sept 2, around 9 am.
2yr old rescue Great Dane with cherry eye
(getting corrective surgery once we move) She is a blue/gray and white.

She is big shy mush mouse. She has a sensitive stomach and was going to throw up, so she went outside to take care of business. She always comes back in when she's done.

She has been with us for over a year and has never wandered out of sight. This is totally out of character for her. She's wearing a ribbon waived choke collar with rabies tag and a blue pull away flea collar.
