Hi, I used to live in Woodstock and we had got evicted from the house we lived in and I had two cats that were staying downstairs with my neighbor, and he left them there. I was wondering if you guys would have the cats like if someone brought them in or if you guys would get them because i really miss

my baby's and I can't go back to Woodstock, but I really need to make sure they are okay. There are two and they should be together.
