LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Poughkeepsie

Contact: 845-392-8678

Location: Linden Road

Date : April 18, 2018

I've seen this little guy (or girl) around our neighborhood for a couple of weeks, but I thought he belonged to a new neighbor. He showed up on my patio today, and up close does not look like he's seen the inside of a house lately. He has a white patch of fur on his chest, and a thin white stripe underneath. Back left paw appears to be injured. Very friendly and sweet.
