Contact: susancs@swbell.net

Location: 165 Wykaygl Terrace

Alfie is a sweet cat, last seen around May 25 when he got out inadvertently. He likes to go out to lie in the sun and roam a little but always comes home. Our schedules changed and he may be confused about accessing the house. He comes to his name and/or a clicking sound. He got out without his collar or tags. He does not have a chip.
