FOUND CAT/POUGHKEEPSIE/SOUTH GRAND AVE/WILBUR BLVD. AREA. August 29 & Sept. 16th, 2018, APPARENTLY LOST. (very thin & hungry) Tabby, WHITE PAWS, CHEST, HIND LEGS, CHIN, ALL THE REST OF FUR IS BROWN/BLACK STRIPE/SHORT-HAIRED TABBY, with beautiful green eyes. (Has shaved area on right front leg indicating recent Vet visit). Cat came into

my backyard/has been staying around for the last couple of days. Cat is definitely SOMEONE's beloved pet; it's friendly, loving, thin, but healthy. Cat doesn't like to be outside; for now I'm giving food, water, shelter in my garage with the opportunity to leave, if so chooses. Cat seems like an indoor cat who misses his/her family very much.
