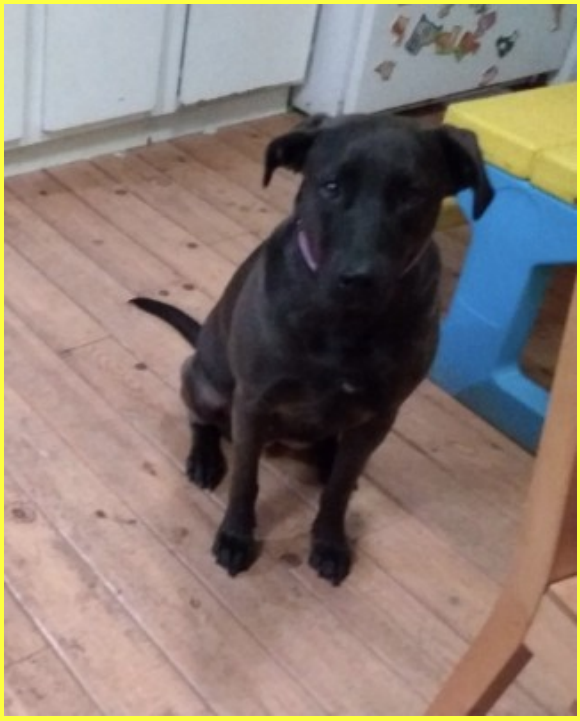
LOST PET

Sissy from Saugerties

Contact: ajackson2134@gmail.com

Location: 19 Clermont Street

Date : December 15, 2018



2.5 year old lab mix, 70lbs, answers to “Sissy”. Purple collar with contact info and heart tag with “Sissy”. Super friendly with kids and dogs, but chases cats, deer, and squirrels. She ran off from Clermont Street in the village and we lost sight of her at the corner of Montgomery and West Bridge Street. She is originally from Athens, NY, and could be trying to make her way home.
