Location: 2069 Route 9G

Date : February 26, 2019

Posting for a neighbor

Chris is an indoor/outdoor cat who bounces from our house to our neighbors. We have not seen him since Friday (02/22) morning, we have a large yard in Staatsburg right off of 9G that he normally does not venture from. He may not come to his name but is very friendly and loves people. Chris has a white

patch on his lower chest and another on his stomach.
