LOST PET

Heide and Hush from Woodstock

Contact: 845.324.1169

Location: Tinker Street and Orchard Lane

Date : February 15, 2019

HEIDE is still missing since October. Along with his brother HUSH. I continue to receive leads that he is still in the area. Last seen by his family in WOODSTOCK on Oct 7, Orchard Lane & Tinker Street at 4PM.
Safety has always been our priority and to have 2 Russian Blue cats missing within days of each other has baffled my family.

Large, male, 11 years old. Russian Blue. He is sorely missed and very loved. An indoor cat only with a big appetite for life and food. REWARD!
