LOST PET

Mister from Newburgh

Contact: 914.514.5143

Location: 5 Spruce Ave

Date : March 30, 2019

Mister has been missing for one week. We have had a neighbor remove his collars before so he may not have an identifying collar. He is not neutered & has a scar on his nose & a scar on his right shoulder. He has had all of his shots & very recently visited the vet.
