LOST PET

Nikita from Poughkeepsie

Contact: 917-755-2635

Location: 21 Caudie Drive

Date : March 7, 2019

Nikita is very skiddish of people, so if you see her, please do NOT yell to her or approach too quickly or she will run off. She is young and has not been outside of the backyard (other than the vets office). She is a bit of a big pup, but she is very friendly.
