LOST PETS of the HUDSON VALLEY

LOST PET

Samantha (Sammie) from Wappingers Falls

Contact: (914) 473-6563

Location: 1782 South Rd. Lot# 65

Date : April 15, 2019

Samantha is an indoor cat. Has snuck out a couple of times, but comes back right away! She has been missing since Thursday April 11th. Around 7:30pm. Samantha is Friendly but at this point frightened and stressed. I live in a small manufactured home community and hoping she has not left the park. It's off Rt9, next to Vavoline and Kohl's! Samantha has a chip, I have called them.

Thank you for whatever you can do to help get my Girl back home!!! ??
