LOST PETS of the HUDSON VALLEY

LOST PET

Tang from Poughkeepsie

Contact: 845-797-1731

Location: Skyview Dr

Date : July 28, 2019

Orange neutered male wearing a gray Seresto flea collar and blue collar with bell, if that hasn't fallen off. Loves playing outdoors with our other cat and always returns at end of day. Haven't seen him since Sat. (7/27) morning. He's friendly but wary of strangers. May be lured with chicken and promise of a belly rub. Heartbroken.
