LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Port Jervis

Contact: 845.754.8460

Location: Main

Date : August 13, 2019

Found in feral capture-neuter-release program, but was already neutered and is very sweet and affectionate, though it appears he has tangled with other cats. Perhaps he is someone's pet who would like him back. He is in a good foster home if not.
