LOST PET

Teddy from Newburgh

Contact: 845-674-7085

Location: 5 Stanley Place

Date : September 13, 2019

Teddy, Male Black Longhair with a white chest tuft. Missing since around 8:30 Thursday evening. He is an indoor cat, who is not declawed and got loose due to a house fire. I almost caught him in my back yard around 10:30, but he was scared when picked up and ran off again. He is aware of where my home is based on the fact he made an attempt to get back.
