LOST PETS of the HUDSON VALLEY

LOST PET

Lily from Walden

Contact: 845.522.2965

Location: 64 maple street, Apt 2

Date : October 19, 2019

Tonight 10/18/19 we realized our lovely lily was missing. She's an all grey cat and very sweet to strangers. She loves the attention and being pet by people she doesn't know. She's super playful and loves to run around. She has yellow/green eyes. She's about 2 and a half years old. Hopefully, we can bring my sweet baby home.
