Hi! We found a grey cat with a blue sparkly collar today while on our way to Woodbury Commons. She's around 4-5 y/o and unfortunately not chipped. She was found on Smithclove Rd near Andre Dr. in Highland Mills, New York around 2:00 pm this afternoon. She's very friendly and looks well taken care of. If anyone has lost a cat or knows of anyone in that area who's searching

for her, please contact me at (563) 564-6574. We brought her home and she's eating, drinking and resting for now. See photos. Thank you!
