LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Saugerties

Contact: 646 209 9415

Location: 1533 Route 212

Date : March 18, 2020

Found in my yard. Black and white cat. All black with white socks. I think he's been living in my basement this week. Fur is thin at the base of tail. Looks like he / she has been stray for a while. Saugerties / Woodstock border area. I will feed until someone contacts me.
