LOST PET

Willow from Yorktown Heights

Contact: 917-846-6731

Location: Ellen Lane

Date : March 18, 2020

Willow is an indoor cat that got out, got scared and took off. She's very loving but easily scared. Her family is heartbroken and misses her so much! She is grey and white with a cute button black nose and greenish eyes. Not yet full grown she looks like a small cat.
