Location: Abruyn Street

Date : May 27, 2020

I'm looking for my cat SoSo who was scared and confused after a fire at my apartment house on Abruyn St in Kingston, He is all black with blue-green eyes. If found please call so I can unite him with his brother and sisters at the SPCA in Ulster County. I am so worried and scared for him because he is an inside cat. Thank you kindly.
