LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Mount Hope

Contact: 845 313 1015

Location: Manning Road

Date : August 24, 2020

This adorable kitty turned up on our yard a week ago. Initially, I thought he might be feral, because he was quite skittish, but after a short period of time, it was clear he belonged to someone, and is really quite lovable.

As much as we have grown fond of him, there is no possibility of homing him

due to severe cat allergies.
