LOST PETS of the HUDSON VALLEY

FOUND PET

Found in New Paltz

Contact: 845-222-2953

Location: 12 Pinecrest Road

Date : August 16, 2020

My daughter who is a student at SUNY New Paltz, found a young Male unneutered cat. She brought him in, fed him and gave him water. He has a left eye injury. He is definitely not wild, too friendly. Has to be someone's kitten.
