Please spread the word! Max was LOST on August 19, 2020 in Poughkeepsie, NY, 12601 near Kim Lane.
Max is 6 years old and is such a friendly cat. He and his brother Coco went missing both in Hyde Park a week apart. Max and Coco are indoor/outdoor cats. Please help me find them. We miss them dearly!! Max is orange and

overly friendly! He has an eye condition where his eyes get gunky and they need to be cleaned every day.
