My little guy has been missing since August 16, 2020 and his family misses him dearly. He is a very friendly loving 10 month old. He is light orange/yellowish in color with pattern and white belly. Light eyes. Please call/text 845-663-5279 or email at turner.araya@gmail.com please if anyone knows anything. He was last seen near the Darmstadt Shelter off of Broadway.

His home was 584 Broadway Kingston, NY, but due to covid family had to relocate, but we are still searching.
