LOST PET

Alice from Walden

Contact: 845-717-0046

Location: 221 Berea Rd

Date : November 24, 2020

My neighbors husky is missing from their home on Berea Rd/Coldenham Rd. Her name is Alice and I don't think she was wearing her collar. She is all black with a few white spots and bright blue eyes. She is very friendly and doesn't bite but is rather skittish.
