Hello! My boyfriend and I are new to the area. We just moved to Monroe, NY and I'm hoping this is the right group. We live on Midway Dr. Wednesday night or baby, Lola ran away chasing a deer. We have searched for hours and we just can't find her. We're hoping someone has her safe or sees this and can help. It's too cold outside for her to be alone. She's a 1.5 year old

shepherd/husky mix and she's wearing a pink Dallas Cowboys collar. She's the sweetest girl and loves everyone. She is safe to approach. We're offering a small reward if anyone can help us find her.

Since we're still unfamiliar with the area, I was also looking to get some information about local shelters where she might be at so we can go search for her. Thank you all I advance and please help me find our baby. Christmas wasn't the same without her!
