LOST PET

Britain from New Paltz

Contact: 617.688.7392

Location: 472 Springtown Rd

Date : April 8, 2021

Our sweet cat Britain has been missing since March 31st. She was last seen on Springtown Rd in New Paltz. She is extremely friendly and snuggly. She's an outdoor cat, but would have happily entered anyone's home to be a lap cat. She'd also happily jump in anyone's car. She's ear-tipped, spayed, and is up to date on all her shots. Thank you for all your help to locate her!
