LOST PET

Missing from Highland

Contact: 845.750.8105

Location: 20 s Roberts road

Date : May 5, 2021

She ran out the door on 5/3. She's never gone outside, I'm sure she tried to find shelter during the storm. She's very friendly. She's fixed & has a flea collar on. If you see her, please call or text! Me & my family really miss her.
