LOST PET

Jeremy from Kingston

Contact: 612.559.3241

Location: 16 Josephine Avenue

Date : June 21, 2021

Last seen at 8pm on June 20, originally got out at 4pm the same day. He is affectionate and friendly. He's tiny. 8 pounds. There are two LARGE orange cats who are in the area and confident–they are indoor/outdoor. This is not him. He's small and appears scared based on the last time we saw him.
