LOST PET

Mickey from Elizaville (Sponsored by Kimlin Energy)

Contact: 518-965-3727

Location: Snyderville road

Date : July 24, 2021

Mickey meows very loudly and sounds like he is in distress but it's how he communicates. He is due for some medication soon. We miss him. ??Indoor outdoor cat born in a barn so doesn't like to be stuck inside. Any info would be helpful!
