LOST PET

Coco from Olivebridge (Sponsored by Kimlin Energy)

Contact: 845.251.1468

Location: 20 aster road

Date : August 24, 2021

Today is August 24th and Coco is still missing since August 7th. We are driving and posting everywhere in the catskills – trailheads, local restaurants, poles, mailboxes. Stories have been shared about cockatiels that were reunited after 8 days, 3 weeks, even 70 days. And from 2 miles, to 23 miles, to 70 miles. We believe she is still alive and are asking to help spread the word. Reward of $2k if found and returned.
