LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Bearsville

Contact: 845.532.5390

Location: Piney Woods Rd

Date : November 23, 2021

After thinking our 2 cats were eating more than usual, we found this cat hiding in our living room! It is very skittish, hiding behind our washer, but is coming out in the laundry room for food and water and is using the cat box in the room. We live in Bearsville, NY off of Cooper Road. If this cat belongs to someone, we want to reunite it! It also seems somewhat smaller than in the

picture.
