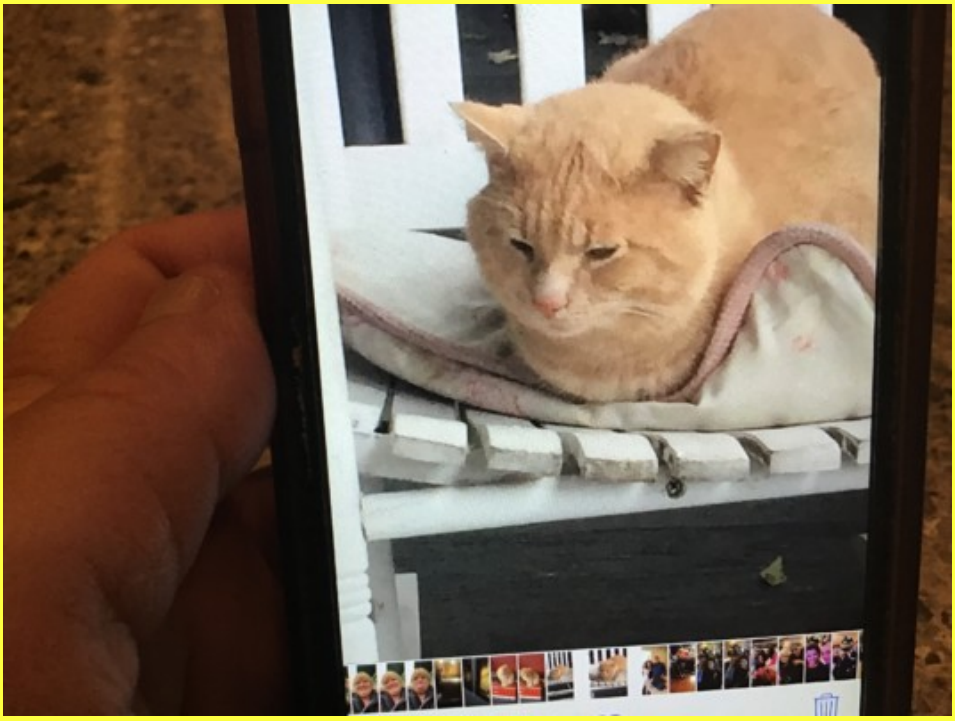
LOST PET

Kashmir from Cortlandt Manor

Contact: 914.409.5290

Location: 7 Edward street

Date : January 4, 2022



Our cat is missing for a week, he is an indoor /outdoor cat that was a stray we took in. He has had his shots and was supposed to go to the vet this week to be neutered and chipped. He is very friendly and sweet and we are all upset. Please if anyone has info let us know. He had a flea collar on.
