Location: Spratt park crossing Wilbur blvd

Date : January 14, 2022

Lost vizsla on 1/13 from Spratt Park in Poughkeepsie. She ran across Wilbur Avenue through the neighborhood across the street at 4:30 pm. She was wearing a red coat and her name is Maple. Very friendly but fast. Please keep your eyes and cameras open for this sweet girl. She is not my dog so I do not have a picture of her but a likeness is below.
