Arrow, 9 mo old orange male tabby cat. He has a white chin and chest, white around eyes, recently neutered so still had short hair on belly and backside, his tattoo is visible on belly and his is still healing on his backend. Healing scratch across nose. Last seen in my yard on the corner of Brimstone Hill and New Prospect Rd in Pine Bush around 10:30. I found his collar in the road

around 1:30. He is microchipped. $$ Reward for safe return. I've had him since he was a brand new kitten.
