LOST PETS of the HUDSON VALLEY

LOST PET

Nyack from Tappan (?? Sponsored by Ulster Savings Bank)

Contact: 917-763-6937

Location: 58 Lexington Rd.

Date : April 10, 2022

He is male 3 1/2 years old, spayed, has hazel eyes, all white stomach and white paws. The rest of him is a brown grey with Black tiger stripes. He's a tabby cat. Has a distinctive brown mole on his pink nose. White snout with a

little white line between his eyes. He has cute little black lips is an indoor cat. Friendly and tame. Someone took down all our posters. So I'm assuming someone let him in because he was lost on Christmas and fell in love with him because who wouldn't, THIS IS NOT OKAY. YOU DONT STEAL FROM PEOPLE ESPECIALLY AN ANIMAL THAT SOOTHED MY FATHER-IN-LAW AFTER WORK. Who has his actual cat mother distraught. We have all shed tears and won't stop. It's in my legal right to take action and get my cat back if I see him. It's come to this.
