**Location: 344 Upper Boiceville Rd**

**Date : August 28, 2022**

**My 18-yr old baby ran off on Wednesday night from 344 Upper Boiceville Rd. in Boiceville. He's very thin and completely deaf. If you see him please call us anytime of day or night. We are extremely worried about him not being able to**

**find water during this heat and drought. All the streams are dried up. Thank you for your time.**
