Date : August 28, 2022

Our dog Maggie who is a miniature German Schnauzer escaped from our fence around 11 am on 27 August. We are located in New Paltz on State Route 32 North. She was seen taken by a woman on Clearwater Road. We were told

the woman lives in the Highland area. Maggie is chipped and is reported as lost in the system. Maggie is gray and white, weighs about 13 to 14lbs. She does not have a collar due to getting her ready for a bath and wanted to wash her collar. Her photo shows her with her hair cut short for the summer. It has grown out some since the photo was taken.
