My cat Silverpine escaped our home in Poughkeepsie on Oct 17 between 6:30 and 9:00 PM. She is a short-haired grey tabby with white chest, stomach, and socks (shorter on the front paws, longer on the back). Her nose is brownish,

and her tail is tipped in black. She is an indoor-only cat and we are new to the neighborhood. No collar, but she is chipped. Please call/text me at 530-848-2721 if you spot her.
