LOST PET

Nova from New Windsor (°BJ Sponsored by Ulster Savings Bank)

Contact: 845.248.8345

Location: 12 Stillman rd

Date : November 3, 2022

Nova wondered away Tuesday November 1, sometime after dinner and hasn't been seen since. She has been an indoor only cat since she was rescued from a feral colony in December of 2020. She is spayed and microchipped.

She is very shy around new people and children, scares easily, but fine with dogs and other cats. We live at Stewart terrace military housing and are relatively new so she is really uncertain of her surroundings.
