My dog Sammy is a miniature black and tan long-haired Dachshund. He has been missing since November from our home in Monticello, NY. He is 5 years old. Most importantly he is chipped. When he ran into the woods he was

wearing a collar and ID tag.
My name is Brian Bunce and we have been looking for Sammy every day, putting up flyers and alerting the local vet clinics. PLEASE CALL ME ASAP at 845-796-6309.
We desperately miss our boy.
Thank you so much.
Brian
