LOST PET

Bubba from Mahopac

Contact: (914) 469-6646

Location: 8 Red Brook Road

Date : January 6, 2023

He's an indoor cat, pretty large in size, grey and white, 9 years old, responds to Bubba, Bubbs, Bubbie. He has a large lump on the base of his tail. Please keep an eye out, look under decks/porch, in shed or garage, I'm sure he's so scared and hiding somewhere close by. We would really appreciate it! We need our baby back home!!
