Contact: (914) 837-5242

Location: 365 Barrett Hill Rd

Date : January 27, 2023

Earl Grey, our 7 year old 22lb grey and white cat, went out as usual on Saturday morning, but has not returned. It's unusual for him to stay out for more than an hour at a time. He is chipped and has two tags...one with his name and our phone number and the other with the chip identification. Earl was last seen outside our house on Barrett Hill Rd in Mahopac, NY. See the linked poster for additional info. Thank you all.
