My cat Jasper went missing yesterday, not sure what time. He is a little over 1 years old and is very friendly. He's mostly white with grey and black patches as you can see in the pictures. We live in Lagrangeville, NY, by Arlington high school . He is an indoor cat and had only gotten out 2 times and got stuck in a tree. He has never wondered off and we are very worried. He will answer to his name if you call for him.
