Looking to see if anyone has seen our kitty Murphy. He is orange and white and small for his age. We live in Suffern on Prairie Ave. He is super friendly and loves to escape to visit with the passerby's. We are afraid someone might have scooped him up thinking he was a stray. I have called the shelters and posted on missing pets. Just asking if anyone sees Murphy to please call me at 914-841-8801....you would make 5 broken hearted kids and their parents

very happy!!!

If you scooped him up and realize the mistake...no hard feelings. Just please bring him back to 10 Prairie Ave....no questions asked! Thanks so much♥
